President's Message Joe Tutlis

It has been a busy offseason for your Sugarloaf Ski Club. As the snow was melting in April the Community and Scholarship Committee met and awarded over \$15,000 in Merit Awards to 24 deserving applicants. Merit Awards recognize the achievements and help to defray expenses of our younger members who qualify for upper level competitions across the country and beyond.

On June 23 twenty-nine teams gathered at the Sugarloaf Golf Course to participate in the annual Sugarloaf Golf Classic presented by the Bag and Kettle. The Sugarloaf Golf Classic benefits the Dick and Martha Ayotte Scholarship fund. It was a gorgeous day with bright sunshine and high temperatures, one of the few dry days in an otherwise rainy June. Many awards were given out, including low gross, all ladies team, and an all Sugarloaf Ski Club team. Over \$16,000 was netted to support our mission. Special thanks to all of our sponsors and to my co-chair Patrick Willihan. Join us on Friday, June 21, 2024 as we do it all over again.

Homecoming Weekend brought us three events. First of all was the Community and Scholarship meeting to distribute \$32,000 to local youth for this winter's programs. Our total budget supporting various youth activities this year is over \$89,000. Then on Friday the Swig and Swing golf tournament presented by the

Sugarloaf Sales and Marketing Staff was held. The Ski Club benefited from the 50-50 putting contest and

proceeds from the tournament itself will support the King's Kids program. Lastly, as usual our Sugarloaf Ski Club booth was staffed in the lower level of the base lodge. Many members stopped to pay dues, buy our special Sugarloaf Ski Club ball caps, reminisce, and look at the pictures that were displayed.

The Sugarloaf Ski Club is about more than raising money for worthy causes. We also like to have good times so I am excited to share some events. Our annual meeting was held on Saturday, December 2 in the Alford Competition Center. After the meeting there was a social. The Beer Tasting is on Saturday, January 6. Always a great time! Have your entire family join in the McKay/Waddle race presented by Carrabassett Coffee on Monday, February 19th. Finally, last season after a lengthy Covid absence we were able to again sponsor our monthly Member Appreciation Socials on the second Tuesdays of the month. Our first Member Appreciation Social is scheduled on January 9 from 4:30 to 6:00 at the Shipyard.

See you on the slopes!

Joe

Boomauger Ski and Snowboard Program

Thank you King's Kids Supporters!

For local kids ages 5-15

In 2018 we launched a new program with a generous \$500,000 gift from the H. King and Jean Cummings Charitable Fund. This gift is the foundation of an endowment fund for the King's Kids initiative to help kids ages 5-15 in Franklin and Somerset counties learn to alpine ski, snowboard, and nordic ski and to support

other local initiatives.

Fifth season accomplishments

Winter 2023 King's Kids funded the following:

- Kids from RSU 58, RSU 74, Stratton, and Rangeley participated in the 8-Sunday PM Boomauger program through the Sugarloaf Perfect Turn Ski School. King's Kids underwrote over 75% of the cost of this program, including lift ticket, lessons, and rentals. Each child only paid \$40 for

the entire 8 session program.

- King's Kids assisted the Titcomb Mtn. Ski & Snowboard programs
- All volunteer run Baker Mountain in Moscow and Spruce Mountain in Jay were given funds by King's Kids..
- Many local children received scholarships to Sugarloaf Mini & Bubblecuffer programs (in addition to significant monies from other club funds).
- We awarded several thousand dollars to Stratton and Mt Abram Schools to help with middle and high school ski teams.

For a second season:

We launched a Nordic Boomauger Program at the Sugarloaf Outdoor Center. For just \$1 per session, kids received lessons, trail access and rental equipment for five Sunday sessions. Over 20 kids participated.

The Boomauger program provides local kids with 8 days of skiing or snowboarding lifts, lessons and rentals at the low cost of just \$40 for all 8 sessions. Even over, and under a Pandemic, King's Kids had a very successful third season.

"My first-grade son is enrolled in the Boomauger program and I'm writing to thank you for the incredible opportunity you've given him and other local kids this year. Many thanks to the generous donor(s) who have made this program possible. We can't thank you enough."

– Parent

"We wanted to thank the Sugarloaf Ski & Snowboard School and the Sugarloaf Ski Club for offering the Boomauger program for local kids. The extremely generous donation from the King's Kids Fund made the program affordable for everyone and opened up skiing for a lot of kids."

– Parent

"It was fantastic. An opportunity he would not have had without this program. He definitely will do it again."

– Parent

Thanks to these generous folks, we have attained our goal of raising over One Million Dollars for the King's Kids Endowment Fund

Big Dogs to Represent Team USA at Youth Olympic Games

CVA is thrilled to announce that Snowboard Cross student-athlete Boden Gerry '24 and Ski Cross student-athletes Maggie Swain '24 and Morgan Shute '25 have been selected to represent Team USA at the 2024 Youth Olympic Games (YOG) in Gangwon, South Korea. Moguls student-athletes, Jack Egan '25 and Chase Littlefield '24 have been selected as first and second alternates, respectively, for Team USA.

The YOG is a globally renowned sporting event that takes place every four years and is organized by the International Olympic Committee. The 4th Winter Youth Olympic Games will take place January 19 to February 1, 2024. The games are a platform for emerging athletes ages 15-18 from around the world to showcase their skills and compete at the highest level in their sport.

There are only 28 qualification spots for each gender in Ski Cross and Snowboard Cross, and 20 qualification spots for Dual Moguls, with each participating country sending only two or three athletes from each gender and discipline. These CVA Big Dogs have earned this rare and honorable opportunity through their unwavering dedication to their sport and their exceptional talent.

"We are thrilled to see these student-athletes represent our school and our nation at the Youth Olympic Games in Gangwon," stated Head of School, Kate Webber Punderson '89. "Having the opportunity to see these Big Dogs grow, and progress in their respective sport has been incredibly special. We are proud of their focus and determination and look forward to cheering for them."

Many YOG athletes have gone on to become Olympic champions. Some notable examples include Lim Hyo-jun (short-track speed skating, Republic of Korea), Gu Ailing Eileen (freestyle skiing, People's Republic of China), Andreas Wellinger (ski jumping, Germany), Chloe Kim (snowboard, USA), and Petra Vlhova (Alpine skiing, Slovakia).

Left to right are: Morgan Shute '25, Maggie Swain '24, Boden Gerry '24, Jack Egan '25, Chase Littlefield '24.
